BY ANIMATIONXPRESS.COM TEAM

Frameboxx Animation and Visual Effects, Bhopal has celebrated its First Anniversary with Big Animation and Prasad EFX in Bhopal. Frameboxx Bhopal was started on 3rd June 2008 with lot of enthusiasm. In this whole year FAVE Bhopal has done lots of events in Bhopal to educate the students to provide high quality animation. FAVE Bhopal is completing its successful One Year with full of achievements and on the edge of completion FAVE Bhopal has organized a Mega Event on the "Career and Opportunities in Animation and VFX with FRAMEBOXX". In this Mega Event FAVE, Bhopal has presented the creators of Little Krishna from Big Animation, Krrish, Delhi-6, Thoda Pyar Thoda Magic, Sivaji from Prasad EFX to the

audience.

During this Event FAVE Bhopal has launched their YearBook showcasing the photos of events, achievements, workshops etc done during the year. This YearBook is the sequence of Unforgettable movements of FAVE, Bhopal. During this Mega Event, the Director FAVE Bhopal Mr. Shohab Abdullah, a young and a dynamic personality has also showcased the top5 movies, nominated for Frameflixx Awards'09. He has also given lots of inputs regarding the job opportunities available in Animation Industry. He has also mentioned about the skills which the companies look for, apart from any kind of Animation skill.

More than 800 students and their parents have participated in this Event. Mr. Rajesh Bhosle(Asst. Line Producer – Big Animation) has showcased the making of Little Krishna. He also discussed about the process, research done, preproduction, production, postproduction of Little Krishna. He also mentioned about the joint initiative taken by both BIG Animation and Frameboxx.

The attraction of the second half event was the VFX used in the Films done by Prasad EFX and the session was taken by Mr Mohan Krishnan, Head Corp. Comm. Prasad EFX. He has shown the presentation on the VFX, Postproduction and Camera Techniques of some big budget bollywood movies like Krrish, Delhi-6, Thoda Pyar Thoda Magic, Shivaji and lots of regional movies. He has started his session with vast Carrier options in Animation Industry and the quality requirement for this industry. He continued his sessions with Behind the Scenes of every movie to the final colour correction. His presentation has captured the attention of audience till the end of the Event.

In the last once again Mr. Shohab Abdullah addressed the audience with vote of thanks and ensures to organise such knowledgeable and productive events regularly in city of lakes BHOPAL.
